Design: UX/UI Design, Wireframing, Prototyping, Design Systems, Visual Design
Tools: Figma, Miro, Dovetail AI, Adobe Photoshop, Illustrator
Leadership: Stakeholder Collaboration, Cross-functional Work, Mentorship

EXPERIENCE

Senior UX Designer – Fidelity Investments (Jan 2024 – Present)
• Lead end-to-end UX for enterprise web and mobile products from discovery through delivery.
• Plan and conduct user research, interviews, and usability testing to drive data-informed decisions.
• Design wireframes, prototypes, and high-fidelity UI aligned with business goals and accessibility standards.
• Partner with product managers and engineers to ensure design quality, feasibility, and consistency.

Associate Graphic Designer – Fidelity Investments (May 2021 – Dec 2023)
• Designed product visuals and communication assets for internal and client-facing platforms.
• Contributed to accessibility-led initiatives and supported UX teams with visual consistency.

Art Director / Graphic Designer – Langoor (Jul 2019 – May 2021)
• Led creative direction for branding and digital projects; ensured alignment with client strategy.
• Mentored junior designers and delivered responsive web and digital marketing assets.

LEADERSHIP & ACCESSIBILITY

• FMRI Excellence Award – Inclusion Catalyst (Fidelity) for driving inclusive design initiatives.
• Co-founded and led an Indian Sign Language (ISL) Club promoting accessible communication.
• Conducted UX and accessibility workshops; mentored designers through portfolio reviews.
